★★★★★ *"Your magic was my highlight of the evening. Thank you!"* —Barbara DeAngelis, Baltimore, MD

★★★★★ *"Bumped into Lowell at a grand opening party for a local business. He was at first just a bartender to me, but then started doing the types of magic tricks that you see on TV that just blow your mind (think David Blaine). He had the crowd around us mesmerized! Myself included. Very impressive indeed. With parties coming up in my future, I'll be reaching out to Lowell! Fantastic! I'll also have someone I can recommend to my clients looking for entertainment for their own events!"* —Matt Buerhaus, Bel Air, MD, EditingLife.com

I would recommend him for any event you might be having. He is great with all ages! ★★★★★ *"The Magic Bartender is AWESOME! In addition to great magic you get an awesome guy with a great personality. He wows the audience during his act and engages everyone in conversation. He is so much more than an "act for hire." It's like you hired your best friend, but unlike most of our friends, Lowell has real talent! We still talk about his card tricks, he was literally ON FIRE! It's great to see a local magician with so much talent!"* —Jason Olson, Verizon Project Manager, MD

★★★★★ *"Lowell is amazing!!! He blows my mind each and every trick. We first met this awesome guy at a bridal expo 2016 and let me tell you it was great he did a few simple but mind-blowing tricks and recently he did a private party for my friends 30th birthday. Lowell is a blast! He keeps you guessing the entire time and he is also very funny, had us all laughing. Thanks Lowell look forward to the next time :)"* —Katie Crouse, Bel Air, MD

★★★★★ *"I really was expecting the magician to be hokey and more corny than anything. He approached our table of 8 and no one gave him an easy time. Well he did a magical card trick which required everyone's participation. He blew us all away. I'm still in awe as I think about his card trick. He/it was amazing!"* —Damali, Greenbelt, MD

★★★★★ *"Lowell was so entertaining and had everybody in awe, very much looking forward to recommending him to more people for future events!"* —Meeba, Ellicott City, MD GoEventPro.net

★★★★★ *"I had a surprise 70th birthday party for my dad at the Manor Tavern and when I first met Lowell I knew we would be in good hands. I am a huge fan of magic, and he entertained all the guests all night with mind blowing tricks. I would highly recommend Lowell for any type of event and know you will be in good hands!!"* —Nick Nesbitt, Baltimore, MD, BaltimoresEventSolutions.com
