

Your Charity Gala is More Profitable, Promotable and Memorable when you

# MAGIC THE NIGHT!

Over 50 5-Star Reviews Online!

**Profitable:** An attractive\* corporate Magic Sponsorship that gets you paid.

**Promotable:** Adding more entertainment, laughter and amazement.

**Memorable:** Amazing memories will make your guests want to come back next year. Many will leave with 'impossible souvenirs' that they will keep forever.

## Option 1: Strolling Magic all evening

Elegant and tasteful 5-Star Entertainment to add to your event.

## Option 2: Strolling Magic + Emcee Services

Let the Magic MC make your event even easier for you—he can take some pressure off public speaking for your officers, help your program flow smoothly, hold attention, and raise more funds!

Bonus: The Magic MC can ensure that your crowd gathers and participates in the main (fundraising) event by priming the crowd all evening as to when and where to be at certain times, AND promises an amazing illusion to start the program and insure you have everyone's attention.

## \*Why is the Magic Sponsorship so attractive?

The sponsor is promoted with EVERY audience interaction, all evening long.

**Compelling Bonus Option:** The Magic MC can use playing cards all evening with the sponsor's LOGO on the back! Professionally designed, beautiful high-quality cards that will become cherished souvenirs when guests get their signed card back in impossible ways. (Extra unused decks from the 12 produced can be given to the sponsor as lasting souvenirs of the evening as well.)
