## Maximize the VALUE & FUN of Your Event Sponsorship with MAGIC!

Event sponsorship can entail recognition on the website, in the program, with signage at the event, and more. But one sponsorship can have **amazed guests** talking about you LONG after the event.

### Elegant, Tasteful, Amazing 5-Star Entertainment

When the Strolling Magician or Magician MC is there representing YOUR COMPANY, every interaction will be one that elevates your reputation and promotes your value. Lowell will study your business and seamlessly weave your message into exciting magical performances that truly feature your company and the theme for the event.. Some guests will leave with impossible souvenirs that they will keep for years and show to friends.

*"Lowell is awesome. He never disappoints. Always engaging with the guests and goes above and beyond to ensure that everyone has a great time. He is a crowd favorite which is why we hire him for all our major business expos."*

—Doug Butschky, CEO, Level 10 Events
